TRANS JOY is when transgender people experience euphoria or overall happiness of their gender/identity, hence the name of this section's title. Remember: You are important! You are awesome! YOU ARE LOVED

aiden!, he/him: "I go to this summer camp every year for like a week with a bunch of other kids my age, everyone assumed that I was like a cis guy, even the trans kid group I was in, they thought I was a cis gay guy :shock: also the first time I got a binder, I was so happy that I almost cried because MY CHEST LOOKED FLAT!!!! WIN"

bearcub, he/him: "I went to the gas station on my 16th birthday, and the cashier smiled at me and said "you're a tall boy, aren't you!" it was a small act of kindness. he knew nothing about me. he didn't know that a week before, I'd collapsed on my bathroom floor over a close friend of mine saying that they'd never accept me. that moment taught me that even if there are people who hate me for who I am, there are many more that love me, that see me for who I am even though I haven't "done" anything."

artemisia they/she: "Was buying bread and a cashier said "thanks quee... uh... king uhm...", also most people nowadays assume by default that I'm a girl. Also one time at pride I was having a bad day and a makeup lady saw me in line and called me a "beautiful canvas" which was really sweet (got a lesbian flag painted on my face on the left side :3)"

AUTISM

UNDER
ANY DEFINITION
OF THE WORD

QUEER MUSIC

1. CHONNY JASH (HE/HIM) (IT'S A CHONNY JASH REFERENCE)

HELLO! I AM AJ OR MARBLES AND I ENJOY MUSIC A LOT. SPECIAL PLACE IN MY HEART TAKES "QUEER AUTISM MUSIC" - MY PLAYLIST WITH QUEER OR NEURODIVERGENT CODED SONGS. SO I THOUGHT... I COULD TALK ABOUT QUEER ARTISTS I LIKE TO LISTEN TO!

CHONNY JASH IS A QUEER SONGWRITER FROM VICTORIA, AUSTRALIA, MOST KNOWN FOR COVERING SONGS, WITH NEW LYRICS ADDED TO THEM. ANYONE WHO KNOWS ME WOULDN'T BE SURPRISED OF ME TALKING ABOUT CHONNY JASH, THAT'S MY SPECIAL INTEREST!

CHONNY IS CISGENDER. WHAT...? 
YEAH, IT'S WEIRD TO START WITH THIS, BUT THE THING IS, CJ IS GENDER NON CONFORMING. HE HAS STATED SEVERAL TIMES THAT HE'S CIS, DESPITE DRESSING IN "FEMININE" CLOTHES. AND HE FUCKING SLAYS.

A MENACE TO SOCIETY

THERE IS A SONG ABOUT EXACTLY THAT, AND FROM CHONNY'S WORDS, IT WAS MADE BECAUSE OF PEOPLE ONLINE AND IRL QUESTIONING HIS GENDER IDENTITY BECAUSE OF THE WAY HE DRESSES. "20XX" QUESTIONS GENDER STEREOTYPES, SAYING THAT THERE'S MUCH MORE COLOURS THAN JUST TWO, THAT YOU CAN EXPRESS YOURSELF HOWEVER YOU WANT REGARDLESS OF YOUR GENDER:

"YEAH, YOU CAN BE CORAL, MAUVE, OR CYAN AND STILL BE A MEGA MAN".

THE MUSIC VIDEO IS STYLIZED AS NES GAME, AND POTRAYS CHONNY DRESSING "FEMININE" WHILE DOING "MASCULINE" THINGS, - "BLURRING THE LINES".

CHONNY IS PANSEXUAL! HE HAS A COUPLE SONGS TOUCHING UPON IT.

IN TWO WUV THERE'S "I'M AN EGOISTIC QUEER UNDER ANY DEFINITION OF THE WORD" AND IN Q&A CJ WAS ASKED "IS THE EGOTISTIC QUEER LINE IN RELATION TO CJ SPECIFICALLY OR IS IT THE CHARACTER(S) DEPICTED?", TO WHICH CHONNY REPLIED: "ME, AND THEREFORE THE CHARACTERS AS WELL. I'M PANSEXUAL (AND EGOISTIC), WHICH IS WHAT THAT LINE IS SPECIFICALLY REFERRING TO, BUT IT ALSO ACTS AS A DOUBLE MEANING FOR THE 'TRADITIONAL' MEANING OF QUEER ('WEIRD/ABNORMAL.').

SECOND SONG IS "THE LIE OF BLACK AND WHITE" FROM CJPH (CHONNY JASH POWER HOUR), OR LIKE CHONNY HIMSELF CALLS IT, "CHONNYS LIL OL GAY ANTHEM". IN THIS SONG JASH TELLS HIS STORY ABOUT DISCOVERING HIS SEXUALITY AND ACCEPTING HIMSELF. AND AT THE END HE SAYS THAT HE KNOWS HE'S LUCKY TO HAVE EVERYONE AROUND HIM BE ACCEPTING, AND THAT THERE ARE PEOPLE WHO AREN'T ACCEPTED, AND HE HOPES THAT HIS SONGS MIGHT HELP SOMEBODY TO ACCEPT THEMSELVES.

"BUT IF THIS TUNE CAN BE HEARD AND SOOTHE SOME HURT, THAT'S GOOD ENOUGH FOR ME. IF I'D HEARD IT MYSELF, PERHAPS I'D HAVE SPARED SOME GRIEF. NOW WOULDN'T THAT BE LOVELY?"

"SECURITY GUARD STAUNCHED US, WE SAID 'YEAH FOR SURE MAN' THEN WENT AROUND THE CORNER AND FILMED THAT SHOT AT THE UNDERPASS AND LEFT THE COLOURS AS A PARTING GIFT" - CJ

FROM TLoB&W VIDEO DESCRIPTION:

"FUN FACT! THIS SONG WAS ORIGINALLY MEANT TO BE THE ONE WITH A MUSIC VIDEO, BUT THE SECURITY GUARD AT THE ABANDONED WAREHOUSE SAID 'THIS IS PRIVATE PROPERTY' AND 'YOU CAN'T FILM HERE' AND 'FUCK OFF MATE' ...WAIT THAT FACT ISN'T FUN AT ALL."

HONESTLY, I COULD TALK ABOUT CHONNY'S MUSIC FOR A LONG TIME, EXPECIALLY CCC. BUT I'M NOT GONNA DO THAT THIS TIME. MAYBE NEXT TIME? WHO KNOWS... I INTRODUCED AT LEAST 5 PEOPLE TO CJ'S MUSIC DIRECTLY, AS WELL AS HAD MULTIPLE PEOPLE FINDING OUT ABOUT CHONNY JASH THROUGH MY VIDEOS, AND IT'S V COOL. I'M GONNA END HERE. HAVE A GOOD DAY AND GIVE CHONNY JASH A LISTEN SOME TIME!

see, kids-- kindness does go along way...

EPIC TRANS STORIES CONTINUED

Isaac/Neptune, any pronouns: "i fucking love my voice now it's so wonderful i was worried i would lose my singing ability but actually it got better because i am BETTER SUITED to this range!"

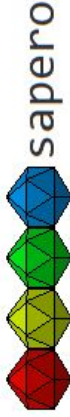

isactuallyabear, she/they: "When I wore makeup for the first time. It was a light amount, so the difference was subtle. Nonetheless, when I looked in the mirror I nearly cried. This was like 6 years ago [...] This one was much more recent. I made my first irl friend in let's say wayyy too long, and the way she casually calls me girl was a bit jarring, and yet really validating. As if I'm just another one of her girl besties like any other."

Troy, he/him: "I got called Mr. at a Starbucks. And my sister calls me brother over text"

AJ, they/any: "once i was sitting on a big swing and a group of guys came up wondering if i was a girl or a boy and one of them sat on the other one. i heard he started talking to me and i turned off my music. he asked my name so i told and others laughed bcs it's a unisex name, and then that guy said "damn i can't even tell from the voice"."

fin, he/it/they: "This year I reconnected with one of my friends from elementary school and found out that she is also trans! It was really nice to see her again :]"

julian, any/all: "coming out to my friends was such a liberating experience, i came out to one of my best friends and he was extremely supportive and happy for me and said hell make sure the word gets around so no one misgenders me and on tdov one of my friends who was never outspoken about lgbtqia+ rights or anything wished me all the best. and all that was just super confirming to my indentity somehow, it felt like i had fully come out with those two things in a way"

June's super cool music

As a result of a side project that is unfortunately cancelled, I have a sizeable catalog of music by trans artists going tragically unshared. Here're my favorites.

I hope you give them a listen! They deserve it.

chariot

see through person

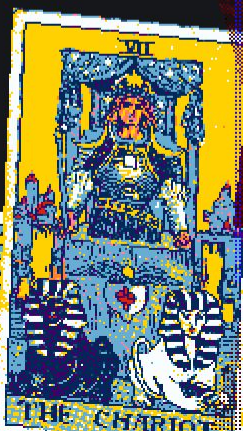

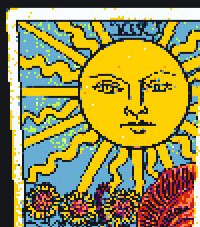

and also this
motherfucker ->
their second ep, sun
(honestly better but less
immediately transgender)

see through person is a 3-person emo/post-hardcore/math rock band hailing from fort myers, florida, USA. they've got an intricately melodic, wonderfully noisy sound that scatters all over the place in barely-held-together beats.

in the major arcana, the chariot card represents determination, taking action, and a spirit devoid of emotion—no feelings after the breakthrough, but with a sober, humming sense of uncertainty. in mainstream trans narratives, change is instantaneous, joyful, and completely transformative — the chariot pries back that trope and exposes all the messy anxiety, terror, and grittiness.

good album!

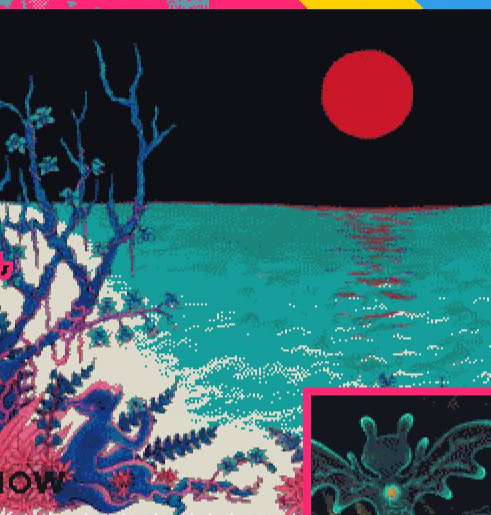

ok its time for the...

gleachfeach!!!

glass beach is a horrible band that i don't like PSYCHE they're great.

they have two albums out—the first glass beach album, an emo album abt community, and plastic death, which i will not speak about because i am biased. (INCREDIBLE ALBUM)

their sound jumps all over the place, but i'd describe them as a math rock deal. terrific stuff, check them out NOW

(again plastic death is better but the transgenderness is more cryptic)

star☆☆

next up on the list is...!!

star, the second release from saoirse dream. i'm not typically one for hyperpop, but this album really does it for me! it's nice hearing a bunch of different artists blend their sound on a project like this, too.

ARDENNA

+1 JUNE

HMM... THIS DOCUMENT IS GOOD, BUT SEVERLY FLAWED..

BETTER.

Forgive me for intruding,

but I can't help but feel a little curious!

So, how do angel genders work?

well,-

Are you a woman?

Uh-

A man?

ehhh...

that's kind of beautiful..

I'm just me!

Besides, angels don't really have genders like you.

I can change my form, if that's what you're asking.

ASKING THE ANGEL

JEALOUS

WHY NOT MEEEE

Mindful

Walking into a room, there is an empty cup sitting on the table.
Someone left their trash. . .

Mind, mindful, full of minds
Fine lined about your head
Talking, touching, nothing said.

Take, taken, In it takes-
Make or break stakes, independent array,
Moving, mixing, all away.

Thought, thinks, sinking thoughts,
Thick, strict, solo soul,
Directing different data, all exerting control.

Twitch, twist, torn in twilight
Tatters, tears, glitches in the system,
Oversee, overlook, operate to dismiss them.

Aware, affair, Rare is an Err
Alone you throne yourself as 'me',
Singular, substance, nothing else could be

Here with you, in your mind.

. . . A Memory play, full on display!
Each of your instance, retained in existence,
But of these events, all display an intense-
-ly... loud crowd.

"Pick up the cup, clean up the room."
"It's good to clean the room: pick the cup up."
"What a pain, clean up the room: pick up the cup."
"I guess I'll throw it away."
"Who left this here? There's a trash-can real near!"
"Oh look, a cup! I'll pick it up."
"What a bother, guess I'll gather the trash."
"The clean-up crew has arrived."

EPIC TRANS STORIES CONTINUED (AGAIN)

scourge, he/it: "i have my top surgery this friday (5/10/24)! this summer ill be able to go topless, wear all the tank tops ive been saving for this day, and participate in public sports. ive been hyped but the reality of this still hasnt sunk in, it feels like a dream. im not sure it will until i wake up post surgery. i want to one day get a big chest piece over top. its just come to me that ive been passing as a cis man this entire school year and with the upcoming surgery my feelings of inadequacy compared to my peers may finally be able to melt away. keep going guys, i didnt think this could ever happen to me <3"

ariz, they/them: "i have trouble concentrating lot of the time and i have so many thoughts it gets noisy but i remember distinctly the first time i tried makeup and drag, it was like a wave of calmness fell over me. For a few days after that i felt Pacific. Nowadays too if in studying alone or in a safe enough space i'll put on a nailpaint or choker or a dress. It helps somehow XD. Also when i came out to my cousin she was so chill about it and taught me eyeliner which was p cool"

bearcub, he/him: "when i originally came out to my brother, all he did was pat me on the shoulder and said "alright bro." it was anti-climatic, all things considered, but it meant, and still means, so much to me."

adam, he/him: "after my top surgery when i saw myself in the mirror for the first time. when i finally dared to come out to my extended family and they all enthusiastically supported me. the relief and joy i felt is something i cannot put into words. when my voice got consistently more masculine om HRT. when i told someone i grew up as a girl and they were taken aback by surprise."
